### **Pervasive crisis**

### **Will government support programs in Germany and the US help maintain transatlantic business?**

APRIL 16, 2020 | ZOOM

Andersen Tax & Legal, AmCham Germany and AmerikaHaus Nordrhein-Westfalen cordially invite you to our upcoming **Insights Call**.

The Corona crisis currently has a firm grip over the 'old' continent and the 'new world'. Businesses are focusing on maintaining their operations, staying solvent and managing relationships with their stakeholders. In this situation, they are dependent on state aid in each country where they operate.

In our webinar, we will discuss the main contents of the German and US support programs and what these legislative measures mean for the efforts to remain a player in transatlantic business. Will the initiatives be sufficient? Are there significant differences between the US and the German relief Acts? Recognized experts and those directly affected by the crisis will share their experiences and concepts, which will be of great value to all those involved in and interested in transatlantic business.

We are pleased to discuss with the following speakers:

**James J. Black**, Of Counsel, Morrison & Foerster

**Christian Ulrich**, Deputy General Counsel, Precigen, Inc.

**Jochen Linzenich**, Associate General Counsel Europe, Asia, Africa, Signode

**Moderator: Dr. Hermann Knott**, LL.M. (UPenn), Attorney-at-Law (New York)/ Partner, Andersen Rechtsanwaltsgesellschaft Steuerberatungsgesellschaft mbH
